The Definitive Guide to Point and Figure: A Comprehensive Guide to the Theory and Practical Use of the Point and Figure Charting Method: Jeremy du Plessis

"Rarely does a book live up to its claim of being the 'definitive' guide to something. Jeremy du Plessis' new book lives up that claim and more. It's almost impossible to imagine a more definitive treatment of point and figure charting. The author pays homage to its early development and the pioneers who first wrote about it.
